Dear Mr. Worth,

Discretions under the New LGPS Regulations

Further to our recent telephone conversation, I have now received a copy of South Gloucestershire Council's proposed policies in respect of new employer's discretions under the Local Government Pension Scheme Regulations.

I can confirm that my Council will be adopting the same proposals as South Gloucestershire Council in respect of Discretions B, C, D and E and, with reference to Discretion F, I advise you that we have no married women employed by us with local government service between 1 April 1972 and 5 April 1988.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J.M. Payne'.

J.M. Payne (Mrs.)
Deputy Town Clerk
