Notes on lump sum death grant - expression of wish form

Please read the following notes carefully before completing the form overleaf

- 1) a) A death grant **will** be payable if you die:
 - i) whilst contributing to the Local Government Pension Scheme, or
 - ii) if you have deferred pension benefits in the Avon Pension Fund
- b) A death grant **may** be payable if you die whilst receiving a pension but this will depend on how long your pension has been paid for.
- 2) Bath & North East Somerset Council (the Council) has absolute discretion as to the distribution of any death grant. As a result of this discretion, any death grant paid should not be subject to inheritance tax. From April 2027, HMRC are changing tax regulations and non-married members may become subject to inheritance tax (IHT), if the estate is over the IHT threshold limit. Death in Service grants will still be exempt.
- 3) To assist the Council in exercising its discretion, you can make an Expression of Wish to nominate one or more individuals, whether or not related to you and also an unincorporated or incorporated body, to receive all or a share of your death grant.
- 4) Where there is more than one nomination and the proportions are not specified, the Council will assume that you wish the death grant to be split equally among nominees.
- 5) If your circumstances change you will probably wish to revise your Expression of Wish nominations. Revisions can be made at any time by completing an updated form which is available from the Avon Pension Fund or by downloading it from our website.
- 6) If at any time you contribute to the Fund's AVC plan, the return of your accumulated fund on your death, or the payment of any additional death in service cover, will be treated in the same way as your death grant from the Avon Pension Fund.
- 7) **Although the Council will have the greatest regard to your wishes, it is not legally bound by them, because for the tax advantages to apply, it must retain absolute discretion as to the distribution of the death grant.**
