AVON PENSION FUND'S NEWSLETTER FOR OUR MEMBERS WHO ARE RECEIVING A PENSION

No increase in pension payments for 2016

0%

There will be no rise in the pension that you receive from the Avon Pension Fund from April 2016 as the government has set the Pension Increase (PI) at zero percent.

Your annual pension is reviewed each April and the amount of Pensions Increase is based on an index specified by the government. PI is currently based on the change in the Consumer Prices Index (CPI) in the 12 month period up to the end of the previous September.

The CPI was - 0.1% (a negative percentage) for this period - however the Pension Increase was 0%.

Therefore public service pensions will also not be updated from April 2016, consequently benefits will remain at the 2015 cash levels.
